

ERM - ESCAPE ROOM MELBOURNE GROUP BOOKING INFORMATION SHEET

Thanks for your interest in booking a group event at Escape Room Melbourne! We've put together some information that might answer some of your initial questions. For any further enquiries, or to proceed with a group booking, please email us at escaperoommelbourne@outlook.com, or call 0455 661 777. Please note we do not take bookings via phone, however we are happy to answer any queries you have.

ROOMS AND LOCATIONS

We have three rooms (two in South Melbourne, one in Flemington), and one 'escape van' that can be hired for corporate groups, functions, and other events. This information sheet primarily concerns our South Melbourne and Flemington venues – please email us if you would like more information about the van (currently unavailable for corporate bookings until October 2015). Please go to our website for a detailed description of the rooms.

Disappearance - Flemington: 9 Lee Street, Flemington

Please note: The room is located behind a residential property.

Kellar's Magical Emporium & The Mine Escape - South Melbourne: 12-18 Yarra Street South, South Melbourne

Please note: Google Maps may redirect you to 12-- 18 Yarra **Place**, which is one street to the west of us. There is also a 12-- 18 Yarra Street in **South Yarra**, (which is not where we are) so please get in touch if you have any concerns about how to find us!

CAPACITY

South Melbourne can accommodate a maximum of 12 (6 per room). For larger groups, we recommend booking back-to-back sessions and/or running teams in both rooms concurrently at our South Melbourne location.

Flemington is ideally suited to smaller teams and families. While we are happy to organize back-to-back sessions for larger groups, please be aware that it is located behind a residential property, and there is no waiting area available.

The **Division 5 Escape Van** is designed for teams of 2-4. A full-day (8-hour) booking should accommodate approximately 30 people in total. Please contact us for more details.

DURATION

You have 70 minutes to escape. However, we recommend allowing 1.5 hours for the whole experience (which includes a briefing, and extra time in the room if needed).

Two back-to-back sessions will normally take just over 3 hours, which includes 10-15 minutes to clean and re-set the room between groups. Officially we leave 1 hour and 45 minutes between sessions, however if the first team escapes quickly, we can usually run the second team through as soon as the room is ready.

TEAM-BUILDING AND PERSONAL DEVELOPMENT

Although our rooms were not designed to include targeted team-building exercises we have found they are excellent experiences for co-workers to do together. The skills learned from a session in an escape room can easily translate to an employee's daily grind and they will certainly have fun in the process. We do not provide any assessment or feedback on performance and unfortunately, we do not have on-site debriefing spaces in either location however we would still be thrilled to host your next team/moral-building event.

We are currently in the process of developing puzzles and activities that will allow our rooms to provide a more formal assessment of team dynamics. These will be introduced in the Escape Van in late 2015 (please contact us for more information).

CATERING

Unfortunately, we have no catering services available at either site. There are, however, a number of great restaurants and cafes in the area of both locations, including iconic Melbourne café St Ali, just one street over from our South Melbourne location.

SCHEDULING AND DATES

Please check our website for availability - all available sessions are advertised online. We usually stagger session times for our two South Melbourne rooms by 15 minutes, however we can usually start two-room bookings at the same time (please get in touch via email if you'd like an adjusted start time).
